MOUNTAIN CONDITIONS

3 CM OVERNIGHT & MOUNT SLUSHMORE IS TODAY!

The resort received another light overnight snowfall, raising our 48-hour total to 11 cm. Our snow base remains excellent for this time of the season, ranging between 122 and 154 cm. All major lifts are operational today, along with 147 runs and all four terrain parks. Today's weather forecast expects clouds in the morning, with the sun making an appearance in the afternoon for the big event. Come enjoy the mountain and all the festivities!

Splash into fun at Mount Slushmore today! Celebrate another amazing ski season at Lake Louise with a variety of live entertainment, a pond skim event, and tons of other fun activities.

Snow conditions: Variable spring surface conditions with a mix of fresh snow atop firm packed, and machine-groomed snow.
